

FREEDOM OF INFORMATION POLICY

Freedom of Information Policy

Introduction

The **Freedom of Information Act 2000 (FOI)** gives the public right of access to information produced in the course of the School's work. There are exemptions to this right. In particular, data about living, identifiable people ('personal data') continues to be covered by the Data Protection Act and is not generally publicly available except to the "subject" of the data -that is, the person whom the data is about.

The Governing Body has responsibility for ensuring that the Academy complies with the FOI.

Torquay Academy has produced this Freedom of Information Publication Scheme in accordance with the FOI. Torquay Academy has adopted the model scheme (schedule 1) for schools and academies approved by the Information Commissioner. This Freedom of Information Publication Scheme lists all the documents which Torquay Academy will make public as a matter of routine.

If the information you are looking for is not available via our Freedom of Information Publication Scheme, you can make a request for the information you require in writing.

References to the 'authority' and/or 'public authority' are references to Torquay Academy in our Freedom of Information Publication Scheme.
