Maths

Choose a maths topic on Hegarty and complete 20 minutes

Science

Complete another 15 minute Educake session

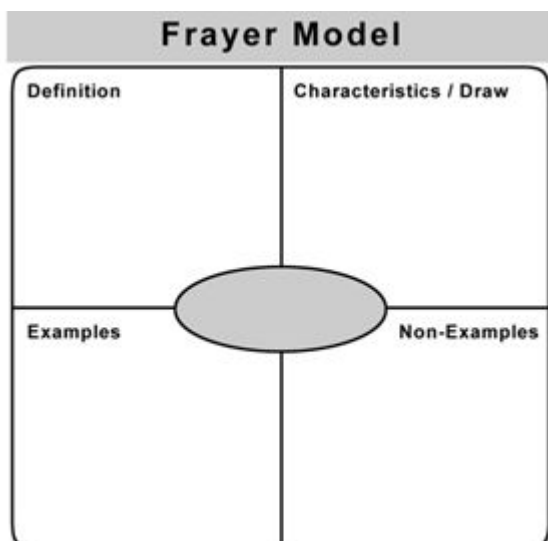

English

Complete another 15 minute Tassomai session

TA Dictionary - 30 minutes

Each day you should choose a 'word of the day' which you can select from your TA Dictionary. This could be a word you have encountered in your studies or a word you are curious to learn more about.

Many of you will be familiar with the Frayer model which has been used across curriculum areas. You should write the word in the middle, then fill in the sections around the outside. Firstly you should write the definition of the word in the appropriate section. In the next section, you should note the characteristics of the word or draw an image to represent the concept. In the next, you should list examples of the word in a sentence. Finally, you should list non-examples of the word.

Literacy intervention

If you are currently receiving literacy intervention, please log in to either your powerup account {Carol please send links} or your Achieve 3000 account using your username and password. If you don't know your login details please email Ms Rowan on crowan@tqacademy.co.uk If your child is not currently receiving literacy intervention but you would like more information with a view to setting them up with an account, please also contact Ms Rowan
