What is Child Protection about?

We think that your health, safety and welfare are very important

We respect all students and help to protect their rights

We want students to remain safe, at home as well as at school

How will we try to protect students?

We try to provide a safe environment for students to learn in

We help you to recognise risks and how to stay safe

We offer support to students who are experiencing difficulties at school or home

Need to talk?

You can talk to any adult in school if you need to, but your Head of Year or Pastoral Manager would be a great place to start

or

If you feel that you are unable to speak to any of the staff at the Academy or you are not at school you can always ring Childline on 0800 1111
